

# Environmental Policy Statement

**Cemplas Waterproofing and Concrete Repairs Limited** recognises the importance of maintaining their operations to ensure the safety of the environment. The company recognizes that effective management of our environment makes good business sense and will be a fundamental and integral part of our business strategy.

To ensure we achieve these standards procedures will be implemented to include the following:

- Being aware of how our activities impact upon the environment and seek to minimize adverse effects by means of the best available techniques, not entailing excessive cost, through a policy of health and safety improvement at the workplace control of pollution and care for the local environment.
- Complying with our legal responsibilities and playing our part in influencing future legislation.
- Conserving the use of resources, particularly those which are scarce or non renewable, including the following:
  - a) to avoid waste and encourage conservation, re-use and recycling, e.g. chipping, composting and waste disposal management, etc.;
  - b) to preserve, restore and enhance the built and natural heritage;
  - c) to encourage the sustainable use of land-based resources and certified timber and wood products. e.g. non-sustainable resources - peat, tropical hardwoods;
  - d) to reduce air, land and water pollution, e.g. toxic chemical sprays, motor exhaust etc
- Being sensitive to the environmental concerns of our neighbours and the communities through which we operate and responding to them.
- Adopting environmental objectives to continually improve our environmental performance and monitor progress in their achievement.
- Requiring our suppliers and contractors to have a proper regard for our Environmental Policy for the goods and services they provide for us.
- Communicating this policy to our staff, suppliers and customers and seeking their help to implement it.

This policy will be reviewed on an annual basis.
